

Community Fruit Orchard

On April 25, 2009, Feeding Many will celebrate its first big achievement, the ribbon-cutting ceremony at the first community fruit orchard. This orchard will be a resource for individuals throughout Littleton and Jeffco as an additional source of nutrition in times of economic strife.

Currently, the plans for this garden include the planting of approximately 350 trees, strawberries, raspberries, and grape vines.

We are in need of volunteers to donate time or funds for the implementation of this project. We currently need to raise \$4000 for the fencing, \$2000 for plants, and several days of volunteer work to help bring

this project to fruition.

If you have the time to donate to this community project, please send an email to webmaster@feedingmany.org or call Shirl at 303-862-4339 to sign up. We have several Saturday's planned in the coming weeks (weather permitting) to bring the groundwork together to ensure that everything comes together for the ribbon-cutting ceremony on April 25th.

If you are unable to donate your time to this worthy cause and would like to contribute, please help us financially. To contribute a tax-deductible donation, please send your contribution to WaterStone Community Church, 5890 South Alkire Street, Littleton, Colorado 80127. In the memo

line, please notate that the contribution is for the Community Fruit Orchard.

If full funding is received, all 350 trees will be purchased this year to bring the garden to completion. This will allow us to complete Phase 1 and 2 this year.

If you would like to read more about this worthy cause, please visit our web site at: www.feedingmany.org.
